Opening lead – queen of hearts.

A reader sent this deal, which he labeled “a good exercise in the logic of dummy play.” We agree with his sentiments and the method of play declarer chose to make the slam.

The bidding was likewise first rate. North pushed on to a slam in clubs once South showed extra values and a good suit by bidding three clubs.

Declarer won the heart lead and saw that the contract was certain provided he did not lose two diamond tricks. After cashing the K-Q of trump and finding the suit divided 2-2, South realized he was now 100% certain to make the slam regardless of how the missing cards were divided. So he cashed the A-K of spades, ruffed a spade, then ruffed the eight of hearts and dummy's last spade.

Declarer was now ready to tackle the diamonds. Dummy at this point consisted of the jack of clubs and A-Q-J-3 of diamonds, while declarer's last five cards were the ace of clubs and 9-7-5-2 of diamonds.

South led a low diamond and finessed dummy's jack. East did his best by ducking, but declarer countered by returning dummy's three of diamonds. East won with the ten but had to concede the last three tricks whether he returned a heart or a diamond.

Declarer would have been on equally safe ground if West had been dealt the K-10-x-x of diamonds. He would also have been forced to return a diamond or yield a ruff-and-discard, bringing a happy conclusion to a well-played hand.

LIBRA - Sept. 23-Oct. 22

TOMORROW'S BIRTHDAY - Sunday, October 19, 2025

Pay it forward. Lend a helping hand. Take care of unfinished business. Free yourself from restrictions, debt and responsibilities that are no longer valid. Success depends on not spreading yourself too thin trying to please everyone else. Act on morals and principles.

LIBRA (Sept. 23-Oct. 23) -- Share your feelings and intentions and find out where you stand. Communication is the key to making informed choices and moving forward with your life.

SCORPIO (Oct. 24-Nov. 22) -- Social events will lead to new opportunities. Tap into the resources available in your community and embark on a new adventure. A change will raise awareness.

SAGITTARIUS (Nov. 23-Dec. 21) -- Establish what you enjoy doing and revamp your resume to suit your needs. It's your responsibility to plan for your future based on what makes you happy.

CAPRICORN (Dec. 22-Jan. 19) -- Live and learn. Do your best to avoid opposition. Expect others to scrutinize your actions. Excess and overindulgence can lead to a negative response if you give in to temptation.

AQUARIUS (Jan. 20-Feb. 19) -- Update personal papers to ensure everything is ready to go if necessary. Self-improvement, fitness and a healthy lifestyle will help you feel great.

PISCES (Feb. 20-March 20) -- Finding common ground with others will help you recognize what's possible and encourage more meaningful human connection. You don't have to spend money to enjoy the company of others.

ARIES (March 21-April 19) -- A change of heart will lead to better relationships and an understanding of what matters most to you. A cash infusion or a gift someone offers will encourage you to make positive lifestyle changes.

TAURUS (April 20-May 20) -- A change of pace will help you recognize what's purposeful and rewarding. Use your voice, do what you can and make a difference. A partnership appears appealing and can become a lucrative prospect.

GEMINI (May 21-June 20) -- Figure out what's lacking in your life and make a change. Stop waiting for everything to come to you when a take-charge attitude will help you deal with negatives in your life.

CANCER (June 21-July 22) -- Do something that brings you joy. A domestic adjustment that helps you make your surroundings more peaceful is a great place to start.

LEO (July 23-Aug. 22) -- Let your actions speak for you. A kind gesture will go a long way to impress those you encounter. Be the one to brighten everyone's day, and the rewards will be overwhelming.

VIRGO (Aug. 23-Sept. 22) -- A financial change is evident. Manage your money with care. Being too generous or paying for someone else's mistake can't buy you love or acceptance. Offer your time, not your cash.

TOMORROW'S BIRTHDAY - Monday, October 20, 2025

Sign up for events, activities and anything else that gets you moving in a positive direction. Whether you want to get fit, learn something new or connect with people, this is a great year to expand your interests. Separate personal and professional agendas to avoid confusion. Don't let people who can influence your professional reputation put you in a vulnerable position.

LIBRA (Sept. 23-Oct. 23) -- Keep an open mind, but don't share too much with your competitors and rivals. Be a good listener and offer friendly support, but keep your secrets and playbook to yourself.

SCORPIO (Oct. 24-Nov. 22) -- Stand up and do what you do best, and the rewards will be forthcoming. Tackle each problem with an open heart and mind, knowing that you can fix whatever goes wrong. Adapt and proceed.

SAGITTARIUS (Nov. 23-Dec. 21) -- Hop to it, implement change and build a strong foundation. Balance your time between work and home to ensure neither is neglected. High energy, enthusiasm and effort will get you where you want to go.

CAPRICORN (Dec. 22-Jan. 19) -- Watch your step. Verify plans and what others expect of you before you agree to anything. Expect last-minute changes and disruptions along the way.

AQUARIUS (Jan. 20-Feb. 19) -- Read the fine print and adjust what's necessary. Take

advantage of an opportunity to learn something new, travel or join forces with those heading in a similar direction.

PISCES (Feb. 20-March 20) -- Keep an open mind, but implement discipline when dealing with money, health and contracts. Review your choices and stick to a reasonable budget. Avoid unknown people and places today.

ARIES (March 21-April 19) -- Engage in activities you can do with the people you love most. Nurturing relationships will encourage honesty and stepping up to ensure your connections remain strong.

TAURUS (April 20-May 20) -- Digest what others say and the circumstances you face before you address matters with words or actions. Allow yourself to follow through and to consider the consequences.

GEMINI (May 21-June 20) -- Change begins with you. Stop dreaming and start embracing reality by turning your desires into something tangible. Refuse to let ego or revenge hold you back when you are capable of so much more.

CANCER (June 21-July 22) -- Rely on intelligence and map out a plan before you consider altering your life. There are too many unknowns that can throw a wrench in your agenda if you act in haste.

LEO (July 23-Aug. 22) -- Follow through, live up to your promises and jump-start areas of your life that you are neglecting. Put pressure where it's needed and celebrate when you meet your goals.

VIRGO (Aug. 23-Sept. 22) -- A realistic approach to life, love and happiness will set a good example for those you care about most. Discipline will pay off and show you the way forward.

TOMORROW'S BIRTHDAY - Tuesday, October 20, 2025

Simplify your life. Distance yourself from drama, excess work and changes at home. Excess is the enemy, making this a good year to consider doing less across the board. Donate what you no longer use, size down or cut back on expensive subscriptions or other promotions.

LIBRA (Sept. 23-Oct. 23) -- Tackle what's necessary first. Do what needs doing without complaint. Don't sign up for more than you can handle or anything that has hidden costs. Spend only what's necessary.

SCORPIO (Oct. 24-Nov. 22) -- Don't hesitate when speed is of the essence. Think and follow through, and you'll gain ground. Network, negotiate and use your charismatic charm to achieve your objectives.

SAGITTARIUS (Nov. 23-Dec. 21) -- Deal with domestic matters cautiously. Hesitation and uncertainty will mount if a decision is necessary. Maintain your status quo by consistently delivering high-quality work.

CAPRICORN (Dec. 22-Jan. 19) -- Take charge without malice. It's how you go about getting others to do things for you that will lead to your success. Work your magic, and you'll get the results you hope for.

AQUARIUS (Jan. 20-Feb. 19) -- A change at home will save you time and money. Refuse to let mixed emotions lead to unnecessary costs. Invest more time in cultivating a positive self-image.

PISCES (Feb. 20-March 20) -- Urge others to respect you and your property. Connect with people on a level playing field and avoid giving anyone the advantage over you. Know what you want, and don't stop until you reach your destination.

ARIES (March 21-April 19) -- Think on the move, and you'll devise a plan that surpasses expectations. Trust your instincts and move forward with confidence. It's up to you to be a leader and to make things happen.

TAURUS (April 20-May 20) -- Your savvy ideas and dedication will open doors and win support. It's how you represent yourself that will make a difference. Stand tall and execute your plans with courage.

GEMINI (May 21-June 20) -- Listen and learn. Positive changes result from being diligent and leaving nothing to chance. Socializing will lead to opportunities and give you plenty to consider.

CANCER (June 21-July 22) -- Follow the money and engage in events that show you the way to success. Pump yourself up and find an outlet for your skills. Use intelligence to reach your goals.

LEO (July 23-Aug. 22) -- Take control over domestic situations that face change or require fine-tuning. Figure out how to keep things running smoothly. A tall order will offer a healthy gain.

VIRGO (Aug. 23-Sept. 22) -- Simplify your life, start conversations and distance yourself from out-of-control individuals. Be the one with discipline and foresight to take the path that protects you, your assets and your possessions.
