Flushing Water Mains

The water mains in Beloit are sized for fire protection and need to be flushed each spring and fall to prevent buildup. During these times, citizens may notice changes in water pressure and discoloration. If this happens, wait until these activities have passed your area and run cold water until it is clear.

Water Main Flushing Schedule:

April 29 - Mill to Poplar

April 30 - East of Poplar

May 1 - Bell to Independence

May 2 - West of Independence & South of the River Bridge
