Obituary

**Carol Jeannine (Prichard) Dahl**  
Our amazing matriarch, Carol Jeannine (Prichard) (Dunwell) Dahl, died on April 13, 2025. We had just celebrated her 95th birthday.

Jeannine was born March 19, 1930, in Concordia, Kansas, and grew up in the wheat fields and chicken yards of the Sunflower State. She retained the stoic optimism of wheat farmers who scan the sky for rain, the Depression-era fear of waste that borders on hoarding, memories of grit coming through wet sheets hung over the doorway during the Dust Bowl, a commitment to neighbors upon which survival depended, and an ability to find joy wherever she landed. She was the daughter of two devoted educators, Harley Prichard and Ida Keller, and had one brother, Harold, now gone. Harley was the principal at White City High School in the 1940’s where Jeannine was a member of the WCHS graduating class of 1948.

She attended the University of Kansas on an academic scholarship, where she shouted, “Rock, Chalk, Jayhawk,” waved the wheat at football games and studied at the KU Medical Center to become a nurse. She became a psychiatric nurse, earned a master’s and doctorate, and taught at multiple universities, including Arizona State University, Grand Canyon University and the University of Hawaii. She supervised students at the Arizona State Hospital and led educational tours to the Soviet Union and China. In the 1980s, she was the Director of Nursing at Phoenix Camelback Hospital, which served adolescents. She was married twice, the first time to Robert Dunwell, now gone, who gave her two daughters, and then to Richard Dahl, also gone, who started the law library at the Sandra Day O’Connor College of Law at ASU. Richard gave her two stepsons, who, along with their families, were the most loving, interesting, accomplished and caring blended family you could ask for. Together she was a mother, stepmother, grandmother and great-grandmother.

When she moved to Arizona in the 1970s, she joined the U.S. Army Reserves, spending weekends training with fellow nurses and doctors in the 403rd Combat Support Hospital, similar in spirit to the fictitious MASH unit inhabited by Hawkeye and Trapper John. She loved it when people called her Hot Lips. The unit was activated for Desert Storm and spent months on the Iraq/Kuwait border in 1991, treating hundreds of U.S. troops and prisoners of war. She was proud of her service and her later induction into the Arizona Veterans Hall of Fame.

She also joined the American Red Cross, serving in many disasters, including in the New Jersey center after 9/11, and with Hurricane Katrina survivors brought to the Arizona Veterans Memorial Coliseum in 2005, as well as responding to floods, ice storms, tornadoes and forest fires. She was kind and funny and adventurous and courageous, a wild extrovert, a charming flirt and always the life of the party. She loved a good joke and a cheap glass of wine. She sorely grieved the death of her beloved Boston Terrier, Duffy. She was adored by everyone, and we will all miss her terribly. Survivors include her daughters, Nancy Dunwell of Phoenix, and Judy (Tom) Nichols of Phoenix, stepsons, Barry (Leslie) Dahl, of Longview, Washington, and Kevin (BAM) Dahl of Tucson, grandchildren Nate Nichols, Brian Dahl, Alexandra (David) McElwee, Emily Dahl, Joe Dahl and Ian Dahl, and great-grandchildren Eleanor and Oliver McElwee and nephews Ron (Missy) Prichard, Robert Prichard and Kevin (Diane) Kokrda. A celebration of her life was held on June 9, at the Scottsdale Elks Lodge, 6398 E. Oak St., Scottsdale, AZ 85257.
