NEOSHO COUNTY RESOLUTION R-25-H

A RESOLUTION ADOPTING A MORATORIUM ON CONSIDERATION OF SPECIAL REQUESTS TO USE NEOSHO COUNTY ROADS, RESOURCES, AND/OR INFRASTRUCTURE FOR COMMERCIAL RENEWABLE ENERGY PROJECTS

WHEREAS, Neosho County, pursuant to K.S.A. 19-101 et seq., has the authority to determine their local affairs; and

WHEREAS, on June 6, 2019, the Board of County Commissioners of Neosho County, Kansas approved agreements allowing for and authorizing the construction, operation, and maintenance of the Neosho Ridge Wind Project in Neosho County, Kansas; and

WHEREAS, before approving additional special requests to use Neosho County roads, resources, or infrastructure for commercial renewable energy projects, the Board of County Commissioners would like to evaluate the potential cumulative effect of such uses in Neosho County; and

WHEREAS on July 3, 2024 The Board of County Commissioners enacted a one-year moratorium on the approval of any request or requests to use Neosho County roads, resources, or infrastructure for the purposes of the construction of any commercial renewable energy project, other than such use as is contemplated or may be required for the construction, operation, and maintenance of the Neosho Ridge Wind Project. Said moratorium is reflected in Neosho County Resolution R-24-K;

WHEREAS, over the past twelve months the Board of County Commissioners has continued to hear public comments on the issue of renewable energy and review information obtained by its own actions or presented by the public; and

WHEREAS, the Board of Neosho County Commissioners deems it to be appropriate going forward to continue to consider the regulation of commercial renewable energy projects in Neosho County through a uniform process applicable to all future potential commercial renewable energy projects, excepting the Neosho Ridge Wind Project.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF NEOSHO COUNTY, KANSAS, that a one-year moratorium on the approval of any requests to use Neosho County roads, resources, or infrastructure for the purposes of the construction of any commercial renewable energy project, other than such use as is contemplated or may be required for the construction, operation, and maintenance of the Neosho Ridge Wind Project, is hereby adopted. Said moratorium term shall be one year from the effective date of this resolution.

BE IT FURTHER RESOLVED that, except as provided hereafter, during the term of such moratorium on consideration of special requests to use the roads, resources, and/or infrastructure, construction of any commercial renewable energy project within the unincorporated areas of Neosho County, Kansas is prohibited.

BE IT FURTHER RESOLVED, that for purposes of this resolution, the term "commercial renewable energy project" shall include all electricity generation facilities comprised of multiple wind turbines and/or solar panels generating electrical power for sale and off-site use. This prohibition includes any construction activity to install roads, turbine foundations, solar panels, transmission poles and/or wires, or other infrastructure intended to be used for the purposes of a commercial renewable energy project. This prohibition does not include any soil testing, wind and/or sunlight measurement, weather tests, or other activities in preparation for the commencement of construction of a commercial renewable energy project.

BE IT FURTHER RESOLVED that, during the term of this moratorium, the Board of County Commissioners intends to continue working to determine the viability of enacting a comprehensive plan and a zoning ordinance as authorized by Kansas statutes, either limited or broad, or other potential regulatory options, for Neosho County.

BE IT FURTHER RESOLVED that the Board of County Commissioners intends to discuss and debate the overall merits of a comprehensive plan and a zoning ordinance and/or other regulatory options for Neosho County.

BE IT FURTHER RESOLVED that violations of this resolution shall be punishable by a fine up to \$1,000.00 per day. In addition, Neosho County may require the cessation and abatement of any violation. In addition to the fine provided for herein, this resolution may be enforced by an action for injunction to prevent or abate any violation or threatened violation, which shall be enforced by the Neosho County Attorney or Neosho County Counselor.

BE IT FURTHER RESOLVED that this resolution shall not apply to the construction, operation, or maintenance of the Neosho Ridge Wind Project, which has been previously approved and authorized by the Neosho County Board of County Commissioners.

ADOPTED in regular session on this 3rd day of June, 2025.

SPECIAL NOTICE

Water Distribution System to be Flushed

The City of Chanute Water Department will be conducting a free chlorine flush of its water distribution system. The flush will begin on June 9th and will last approximately 30 days.

• Possible Noticeable Effects: It is important to understand that during this temporary change there may be some discoloration or cloudiness in the water and possibly a slight chlorine odor or taste. If this is experienced you may want to run the water through the tap until it clears.

• Is the Water Safe to Drink? Yes, the water is safe to drink throughout this process. Any odor and color issues will be nuisance only, which will subside as the flushing is completed. Residents may call (620) 431-5250 with any questions concerning the free chlorine burnout. The City of Chanute Water Department appreciates the patience and understanding of its residents as it works to further improve the quality of the water for all customers.
