WORKSHOP
 (Continued from Page 3)

said. "The magic that happens in a local community when people find out they don't have to wait to get something done, that they can do it themselves, is incredible."
 Participants also learn from each other, Daniels said, adding that even experienced grant writers pick up tips. Participants are encouraged to bring their grants or grant ideas to share.
 Workshop topics include: \ sources of data for community needs; where to find grants; the five common elements of a great grant proposal; and practicing the grant writing elements.
 For more information, contact Carrie Lance, Wildcat Extension District Director, clance@ksu.edu, 785-331-5378.

April Showers!?!
 Many times it was a blinding downpour!
 I've heard varying amounts of rain from 3" to 6". We needed the rain, but I don't think we wanted it all at once and more is predicted for this coming week.
 It's getting close to time to break out the row boats, pontoons and rubber dinghys. Hopefully we never get the amount of rain that fell in La Reunion, France in the 24-hours from January 7 to 8, 1966. They got 71.8"!!! That is a world record for a 24-hr period. Not something anybody wants to break anytime soon.
 I have a 'Dad' joke I just have to share: What do you call 10 rabbits walking backwards in a row?
 Hello! To all in area nursing and assisted living facilities; Hello, also, to all in area hospitals and rehab centers. We offer our sympathy to all who lost loved ones this past week. May they all rest in peace.
 Coming home from Wichita Friday, I noticed the north side of Hwy 54 thru the Flint Hills had been burned off also. With all the rain we've had and the little bit of sunshine on Monday, that area will be pretty this week.
 Wade came thru his surgery, which turned out to be a quadruple bypass instead of a triple, good. The surgeon said everything went fine.
