NOTICE OF HEARING ON APPLICATION FOR VARIANCE TO THE ZONING LAWS OF THE CITY OF NORTON, KANSAS
Please take notice that an application has been made to the Board of Zoning Appeals for the City of Norton, Kansas requesting lot coverage variance as to the zoning laws as to certain property within the City of Norton, Kansas.
That application has been made by property owner, Nicole Jan Rhea Rushton, for a lot coverage variance from the current allowance of 35%, up to 48.43%. The lot coverage variance would be 1582 ft2 over the maximum lot coverage of 4120 ft2. A variance is also needed for a setback from twenty (20') feet to two (2') feet for this proposed addition. The current property setback is three (3') feet to the existing steps, which was allowable due to the property former use and zoning. The request for a variance is for the purpose of constructing a deck onto the east side of the house. The variance request is on property located at:
The East 38 feet of Lot Forty-three (43) and all of Lot Forty-five (45), Block Twenty-five, (25), Norton Town Association Addition, to the City of Norton, Norton County Kansas, together with all that part of Archer Avenue reverting to Lot Forty-five (45) by virtue of Vacating Ordinance No. 246 of the City of Norton, Kansas.
A public hearing will be held before the Board of Zoning Appeals as to the proposed change on the 28th day of May 2025 at 5:35 p.m. or as soon thereafter the matter may be heard in the Meeting Room of City Hall at 301 E. Washington, Norton, Kansas. The meeting is open to the public, and all interested parties will be given an opportunity to be heard.
