Cross Country Meet at Centralia

By Coach Katlen Schreiner

After heavy rainfall, we were happy to see sunshine and mild temperatures for this past weekend's cross country meet held at the Centralia Lake on Saturday, October 3rd. We competed well, with three runners earning personal season bests again; Job Shirley turned in a time of 20:36.37, Gregory Johll 21:07.6 and Dylan Miller 23:05.31.

We are looking forward to the Riley County meet on Saturday, October 10th, at the Leonardville golf course at 9 a.m. This will be our last regular-season meet until the TVL meet. The TVL meet will take place Thursday, October 15th, and will be hosted by Axtell High School. The meet will be held at the Centralia Lake beginning at 3 p.m.

Job Shirley (far left) and Gregory Johll (left) both posted season bests.

Abraham Lincoln Visits Frankfort Students

Students in grades 5-12 and community members (pictured above) had the opportunity to step back in time on Tuesday, September 29th, when Abraham Lincoln, portrayed by renowned historical re-enactor Kevin Wood, visited Frankfort.

The presentation was made possible through a grant awarded to the Frankfort City Library by the Institute of Museum and Library Services as part of the library's ongoing America 250 programming.

During the program, President Lincoln, portraying the 16th president of the United States, shared the story of Lincoln's life, from his childhood on the frontier to the turbulent years of 1854-1865. Through quotations from Lincoln's most famous speeches and writings, Wood recounted the challenges that nearly divided the nation and the events that ultimately led to what Lincoln called a "new birth of freedom."

Known for his striking resemblance to Lincoln and his extensive knowledge of the president's life and era, Wood brought American history to life for audience members of all ages. After the presentation, he took time for pictures with many of the students, including Ainsley Adams (right) with their matching hats.
